UV
PROTECTION

STRONG
STRUCTURE

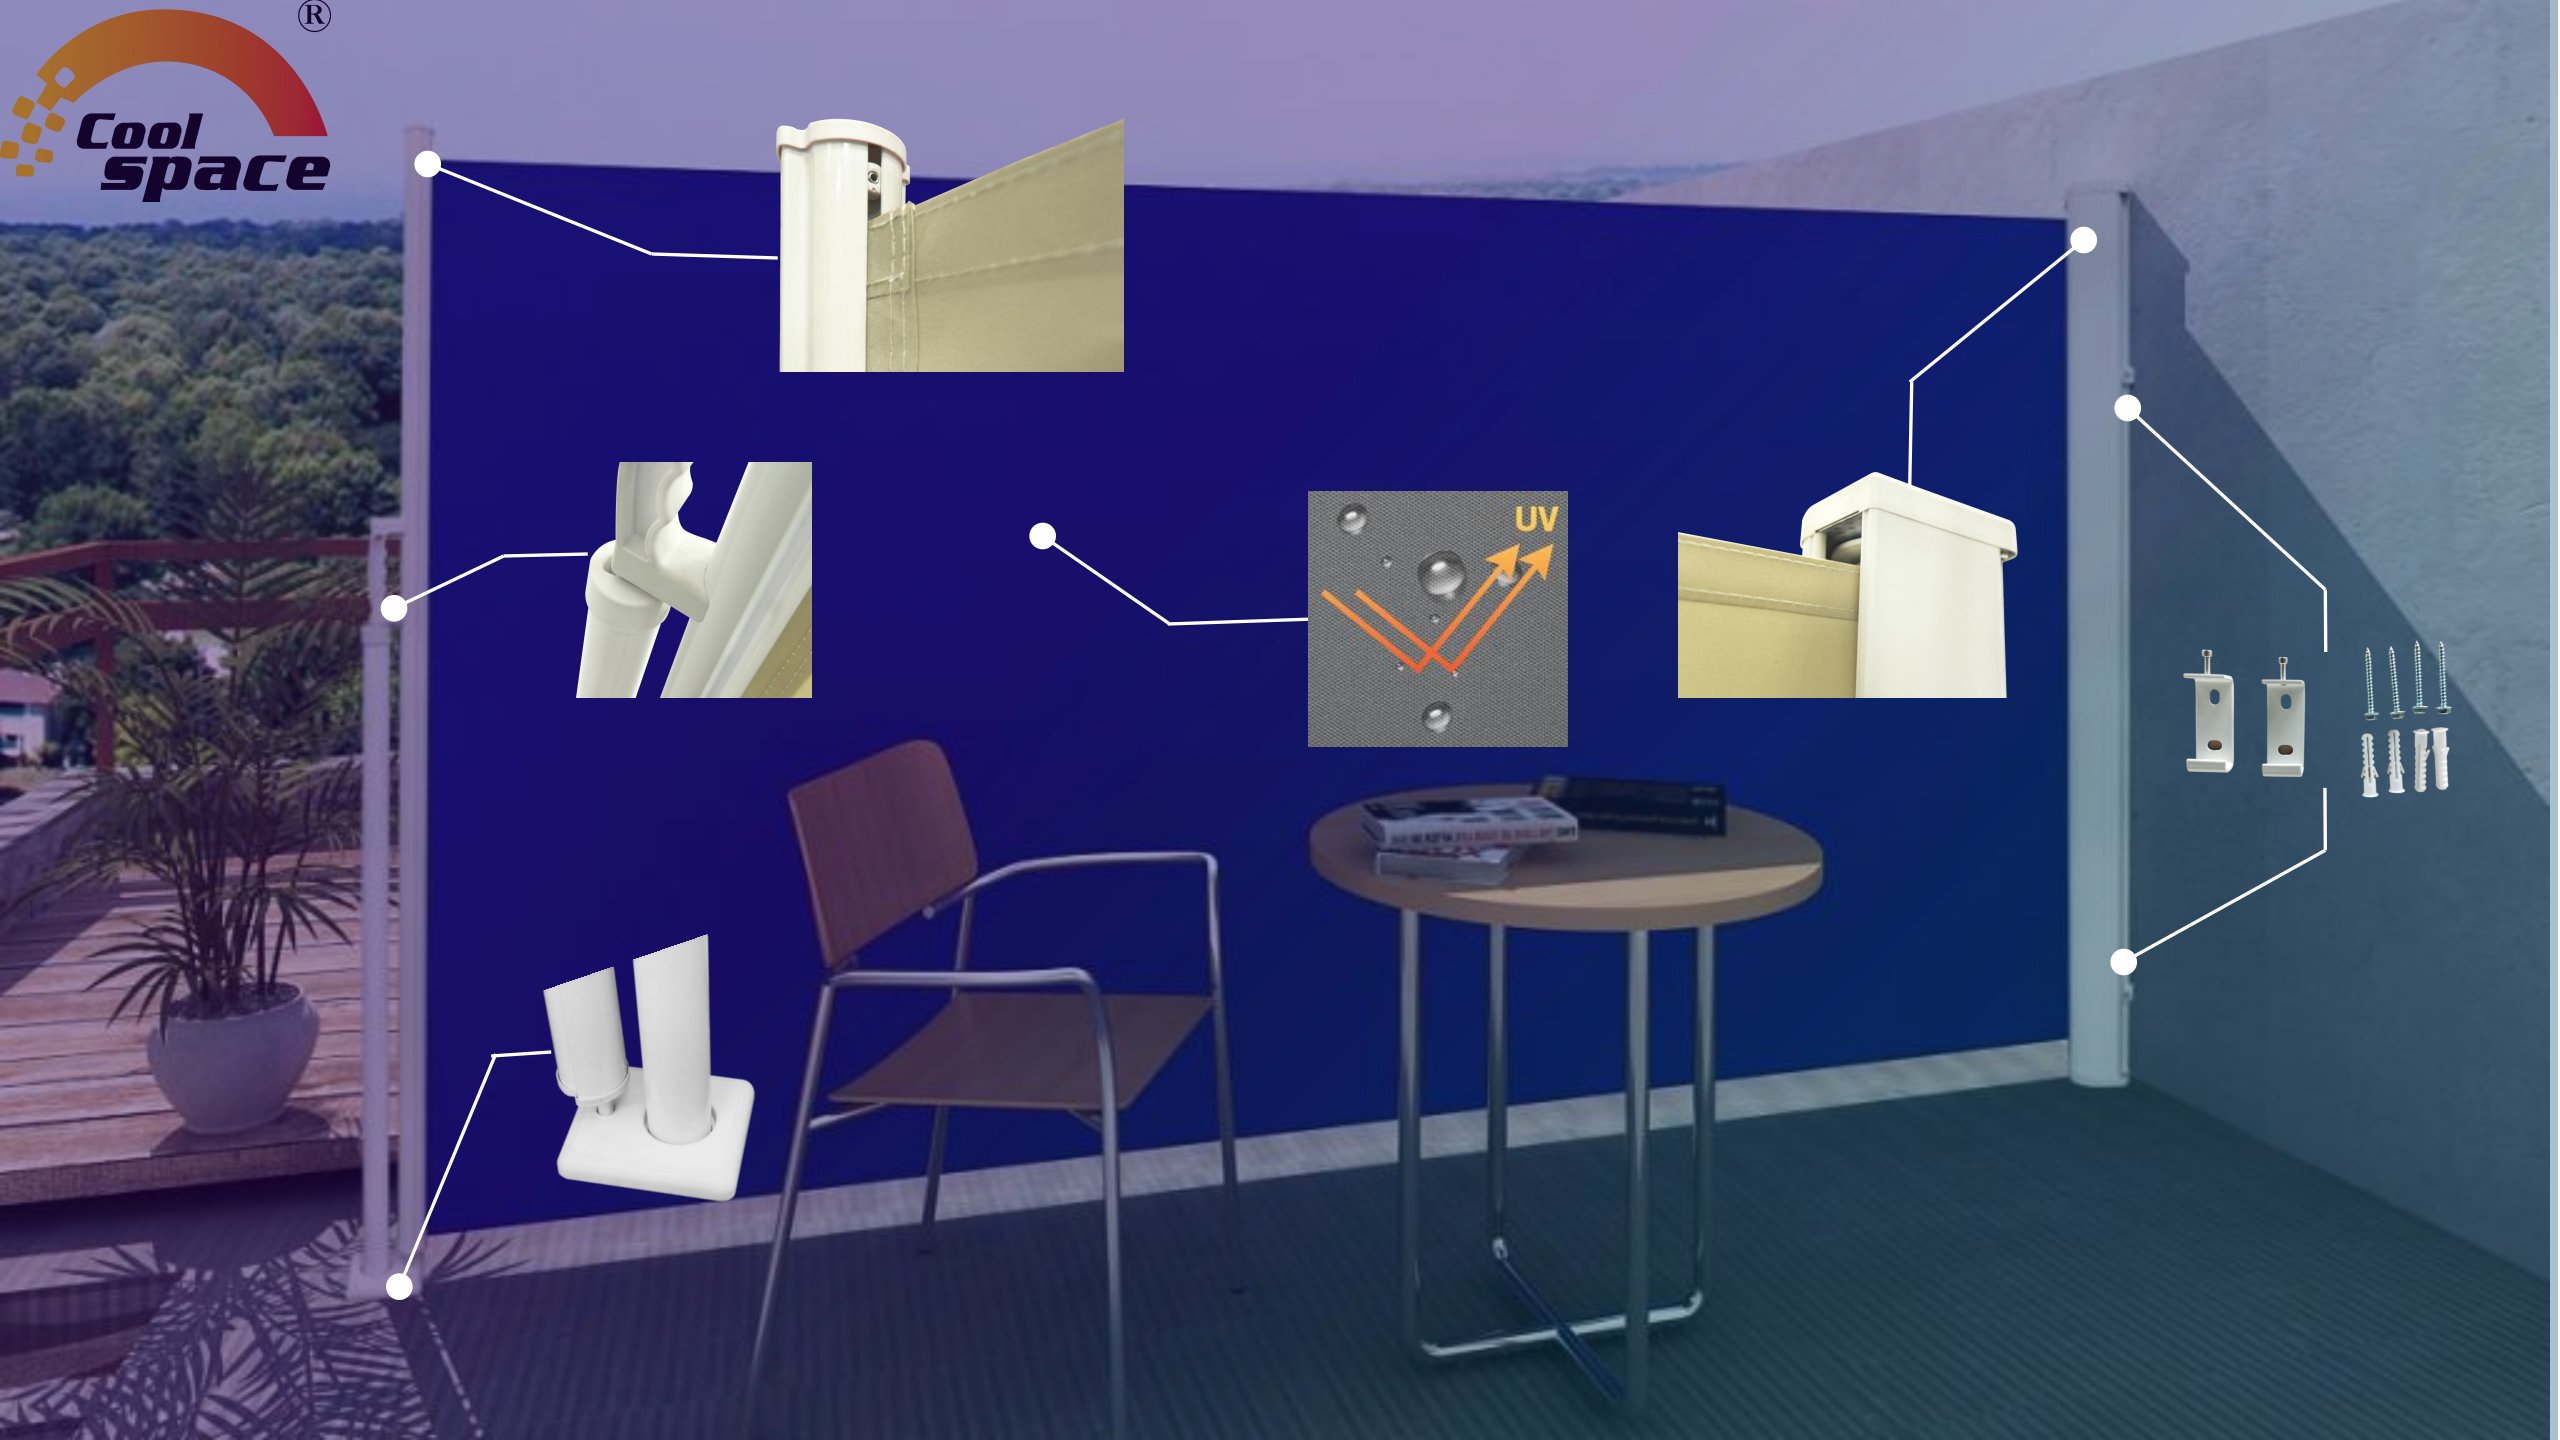

EASY
MOUNTING

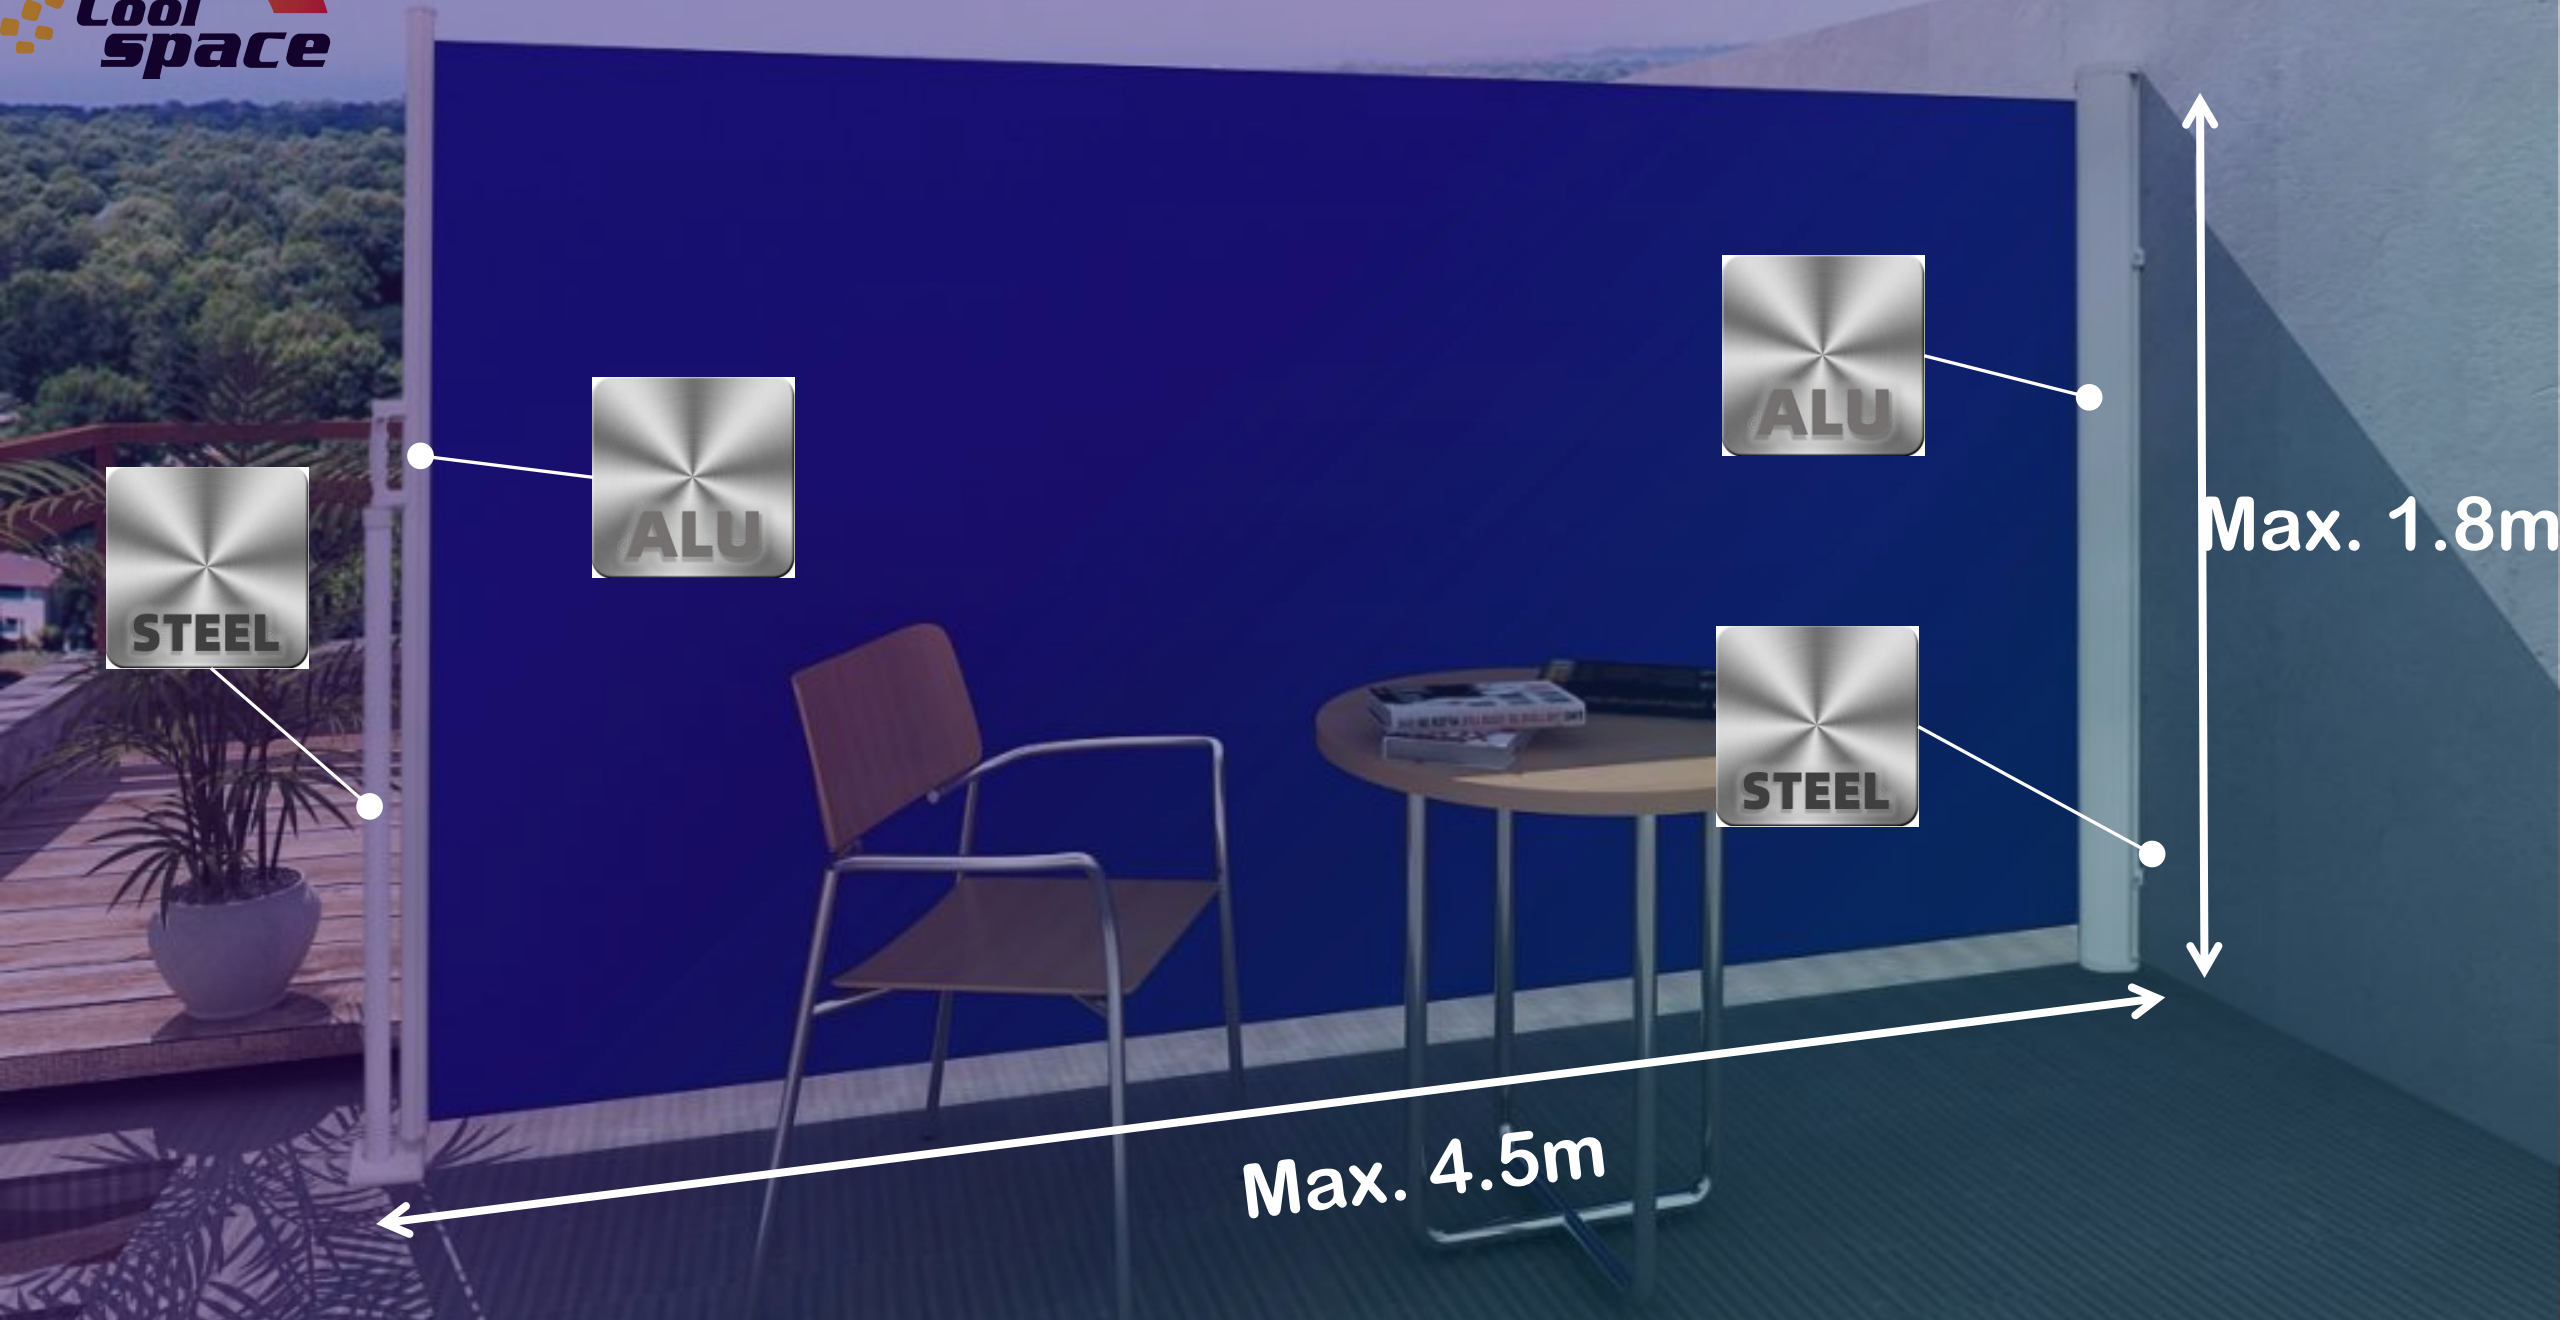

WATER
PROOF

ADJUSTABLE

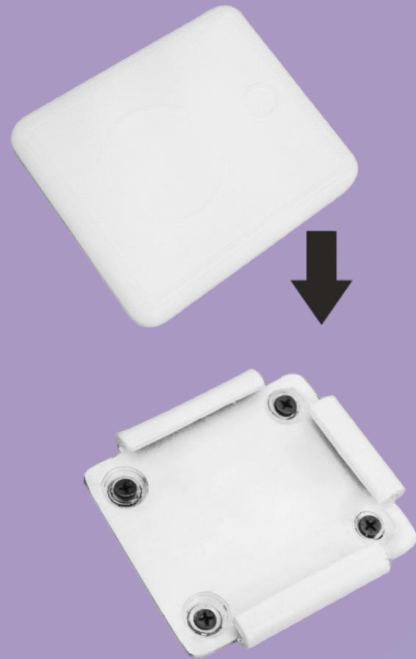

Not In Use

Barrier-free invisible design

When Using It

Multi-point fixation, better wind resistance

①

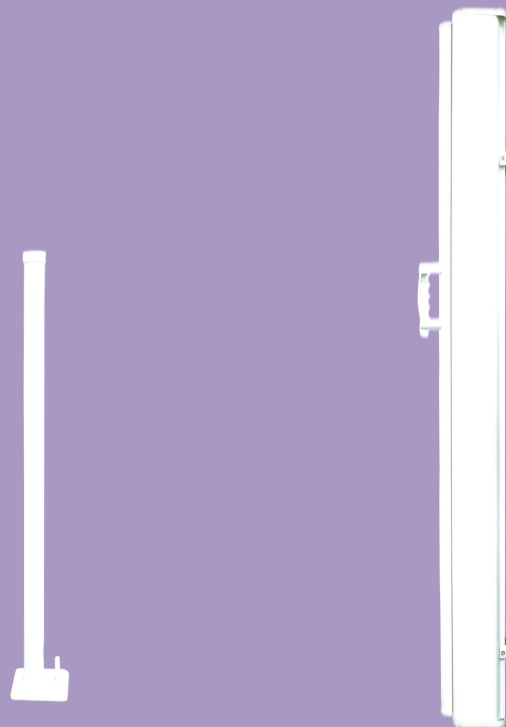

②

Regular Use

The column can be temporarily installed

Fabric

280gsm

Polyester fabric
with PU coat

Water resistant

Dozens of colors

key process

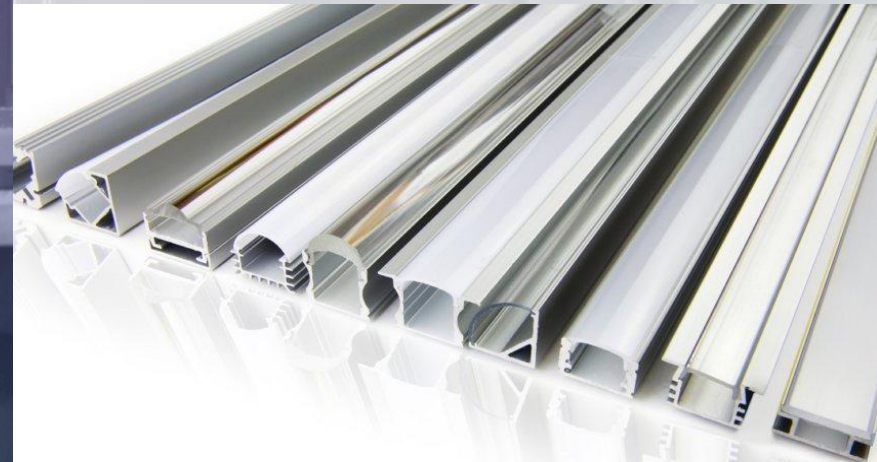

Sewing Farbic

Aluminum profile
extrusion

German High speed sewing machine
Rot Proof Thread

Large aluminum extrusion machine

Spray Process

Vertical spray line

Powder electrostatic spraying

★ Reduce pollution to the environment

★ Energy saving

★ Excellent coating properties

Abrasion resistance

Impact resistance

Corrosion resistance

Pollution resistance
